## VELDEN SIXES 2004

### Introduction

Dear Cricket Friends,

The first annual Velden Sixes tournament in 2003 was a great success for our club. Exciting cricket, our beautiful cricket ground with its panoramic view of the Karawanken mountain range and especially the relaxed and familiar atmosphere all contributed to an enjoyable weekend for all involved. In fact two clubs, from Slovenia and Italy, that participated in 2003 have already confirmed their return in 2004. Our goal for the Velden Sixes in 2004 is to bring together six teams from six nations for our six-a-side tournament so that the tournament will truly do its name justice.

The Cricket Club Velden 91 has already begun its preparations for the tournament in order to be able to offer the participating clubs as pleasant an experience as possible. And along with the tournament itself, the Province of Carinthia and especially the Wörther See region and its tourism center Velden have much to offer for any extra time before, during or after the match days.

We would therefore be pleased to be able to greet you on our cricket ground for the Velden Sixes 2004.
